PROJECTS

Smart Grocery List and Budget Planner App, January 2025 - April 2025

- The Smart Grocery List and Budget Planner App helps users create grocery lists, track expenses, and manage budgets efficiently. It shows real-time cost updates and alerts users if they exceed their budget, making grocery shopping smarter and more organized.

Hospital Locator App, September 2024 - November 2024

- The Hospital Locator App is a mobile application developed to help users find nearby hospitals quickly using their real-time location. It uses GPS and Google Maps APIs to display hospitals on a map with details like name, address, and distance. The app also provides navigation support to reach the selected hospital easily. It is especially useful in emergencies, offering a fast and reliable way to access healthcare facilities.
